

Where shall I meet you?

Debbie: Hello, Debbie speaking.

Manu:

Debbie: Oh hi Manu, I thought it might be you, I've tried texting you a couple of times to see where you are.

Manu:

Debbie: Yeah, I thought you might be lost. Not to worry, I can give you directions. We're meeting at the coffee shop, right? Where are you now?

Manu:

Debbie: The park? Fabulous, are you near the woods or close to the pond?

Manu:

Debbie: Near the woods, ok. So that means you must have the museum on your right. Just carry straight on down the road until you get to the roundabout, then take the third exit.

Manu:

Debbie: No, the *third* exit, so you're turning right.

Manu:

Debbie: Yeah, exactly. When you get to the bottom of that road, don't go as far as the traffic lights. You should still have the library on your right.

Manu:

Debbie: That's right, it's opposite town hall. So take a left at the library, go past the town hall and keep going until you hit the one way system.

Manu:

Debbie: Sorry, I'll repeat that. You go past the town hall. Next to the town hall there's a charity shop, yeah the one that's over the road from the supermarket. Ooh, I must tell you, by the charity shop is a really great Spanish restaurant. They do lovely tapas. We can go there for dinner one night...

Manu:

Debbie: Oh yes, sorry! When you get to the end of the road, turn left into the one way system.

Manu:

Debbie: Yes, so now you're turning left, following the one way system past the restaurant. When you arrive at the traffic lights, turn right.

Manu:

Debbie: Yep right, you go past the garage, and then just after that there's the coffee shop.

Manu:

Debbie: You're nearly there? Excellent, see you in a bit! Bye!
